Education

National Institute of Technology, Rourkela **Aug 2024 – Present**
Bachelor of Technology in Computer Science and Engineering (CGPA - 8.09) *Rourkela, Odisha*

Buxi Jagabandhu Bidyadhar Autonomous College, Bhubaneswar **May 2023**
CHSE, Science (PCM) (Percentage - 85%) *Bhubaneswar, Odisha*

Sankha Jyoti Public School **May 2021**
CBSE (Percentage - 93.4%) *Angul, Odisha*

Relevant Coursework

- Data Structures and Algorithms
- Database Engineering
- Object-Oriented Programming
- Machine Learning

Projects

Priscripto - Hospital Management App **April 2026**
React.js, Node.js, Express.js, MongoDB *GitHub*

- Developed a full-stack hospital management system for appointment booking and doctor management.
- Implemented role-based authentication for administrators, doctors, and patients.
- Integrated MongoDB to store patient and appointment records.
- Built a responsive frontend using React.js.

Fresher.ai - Multi-Agent AI Interview Platform **August 2026**
MERN, Microservices, LangGraph, Redis, Docker, AWS *GitHub*

- Architected a scalable full-stack interview preparation platform utilizing a Microservices architecture and the MERN stack.
- Engineered a multi-agent AI system using LangGraph, incorporating specialized agents for resume building, interview simulation, feedback generation, and roadmap creation.
- Integrated Redis for efficient data caching and state management across distributed microservices.
- Containerized application services using Docker for streamlined development and deployed the platform on AWS, integrating Razorpay for secure payment processing.

Achievements/Certifications

- **LeetCode** **Present**
  Solved **400+** coding problems on coding platforms,strengthening problem-solving and algorithmic skills.
- **Web Development Program – Coder Army Nexus** **Feb 2026**
  Completed the Coder Army Nexus Web Development Program covering HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MySQL. Certificate

Technical Skills

- **Languages**: HTML, CSS, C++, Python, JavaScript
- **Operating Systems**: Windows
- **Database**: MySQL, MongoDB
- **Developer Tools**: VS Code, Git, GitHub, Postman, Jupyter Notebook
- **Technologies/Frameworks**: React.js, Node.js, Express.js, JWT, Machine Learning, Pandas, NumPy, Matplotlib, Scikit-learn, TensorFlow, Keras

Extracurricular Activities

National Service Scheme (NSS-I) **August 2024 – November 2024**
Volunteer *NIT Rourkela*
∗ Participated in community service and social awareness activities organized by the NSS unit.
